"On behalf of our family and friends, we would like to thank the whole team at Fairways and FunDays. Their website says "12 reasons to book with Fairways and FunDays," but I can think of many more. The Fairways and FunDays team did everything for us, no stone was left unturned and we all had one of the most memorable holidays ever. Pure relaxation, totally hassle free and so much fun! The golf was superb, the activities and evening entertainment were truly fantastic. This trip created very special memories and I expect our family and friends will talk about it for many years! # WORLD FAMOUS GOLF

With over 400 golf courses on our small Island, Golf is part of Irish culture, it is part of Irish life and it is part of Ireland. Golf in Ireland is now experiencing a golden era with four of our golfers winning Major Championships within the past decade.

Ireland continues to be regarded internationally as one of the leading destinations to play Golf in the World. Year in, year out, increasing numbers of golf courses in Ireland feature in World Top Golf Course lists.

Ireland hosted golf's most famous team event - The Ryder Cup, in 2006. Ireland is also set to host golf's oldest and most famous tournament - The Open Championship, in 2019.

Over the past decade, Irish golf courses have hosted the four most prestigious team events in world golf:

- Ryder Cup (The K Club, 2006);
- Seve Trophy (The Heritage Golf Resort, 2007);
- Walker Cup (Royal County Down, 2007);
- Solheim Cup (Killeen Castle, 2011)

Fairways and FunDays tours exclusively feature the premier golf courses in Ireland.

Perhaps the biggest appeal of golf in Ireland is the abundance of world class links and parkland courses in such close proximity. No other destination in the world offers the golfer the chance to play the best of both links and parkland courses.

Fairways and FunDays offer you the chance to play Ireland's finest golf courses, many of which feature in the Top 100 list of golf courses in the world. We work closely with all of the leading links and parkland courses in Ireland to offer you a chance to follow in the footsteps of golfing greats.

# OPTIONAL EXTRAS

This is YOUR dream Golf & Ireland Holiday. Our team have designed tours that will ensure your enjoyment. We have also designed a range of “Optional Extras” if you want to make this experience a little extra special.

Some of the optional extras which we can provide are:

## ■ Half Day/Full Day Individual/Group Golf Clinics

These clinics can be tailored to meet your specific requirements and will all take place at a PGA affiliated Golf Clinic and under the direct supervision of an experienced PGA Professional.

## ■ “Play with the Pro.”

We can offer your group the amazing opportunity to play 9 or 18 holes with a real Golf Professional! The professional will share with your group some “inner secrets” of the game, and will identify the areas of YOUR game which need to be improved and provide you with some “quick fix” tips. You will even have a chance to “Challenge the Pro” in a “Long Drive” and “Closest to the Pin Competition.” If you win this, your groups first drink in the clubhouse is on us!!

## ■ Prepare for your “Golf Licence Test.”

If you are a beginner, this will allow you to receive “One to One” mentoring from a PGA Professional which will prepare you to take your “Golf Licence/Golf Permit” test when you return home (European clients)

## ■ “Fairways and FunDays Photobook”

We can arrange for a team member to visit your group during some of your games and take individual and group photographs of you in action. A team member will also meet with your group during some of your groups’ social evenings to take some photographs of your group. Our team will then (in conjunction with your group co-ordinator) compile a high quality hardback Personalised Photobook of your Fairways and FunDays Tour. A copy of this book will be delivered to each member of your group, and will provide a lasting memory of YOUR Ultimate Golf & Ireland experience.

## ■ Discounted Golf Club Hire

If you find that bringing your golf clubs on airlines is all too stressful, we can arrange for high quality golf clubs (brand specifically selected by you) to be waiting for you at your hotel. We have organised exclusive discounted rates for Fairways and FunDays clients with Ireland’s premier Golf Club Hire Company.

## ■ On Course Refreshments

In addition to the “Snack Packs” which are as standard in all our Tour Packages, Fairways and FunDays can arrange to have individual refreshment packs (including drinks and snacks) waiting for each member of your group as you prepare to begin your round. We can also arrange a more substantial snack after the 9th Hole on some of our tour courses.

## ■ Caddies

Although Caddies in Ireland are not directly employed by the golf course we will be happy to arrange a caddy service for you. The fee for a caddy will be payable by you directly to the caddy. As a guide, Senior Caddies cost from €40 - €55 per round, or €60 - €75 for 2 bags.

Caddies who are available are for the most time members of the relevant golf club and will be able to tell you about every aspect of the course from tee to green!

## ■ Golf Buggy Hire

If the thought of walking 18 holes is too exhausting, just tell our team. We can arrange to have Golf Buggies waiting for you at the course. We can also arrange to have your buggy stocked with your preferred on course refreshments and on some courses even a bottle of cold beer for the 18th fairway! Again, by pre-booking this element, we can secure preferential rates for you.

## ■ Your favourite Golf Ball

Tell our team if there’s a certain brand of golf ball which brings out the best in your golf game. The Fairways and FunDays team will arrange to have a box of these balls waiting for you when you arrive in Ireland. Now you have no excuses not to shoot some low scores!!

## ■ Spa Treatments

We can arrange pre booked Spa Treatments at participating Hotels. Hotel Spa’s offer a wide range of treatments from Sports Massages to Manicures to Relaxation Therapies. Why not treat yourself!!

## ■ Private Tour Guide

We can provide a fully qualified and highly experienced private Tour Guide (accredited with *Failte Ireland* - Ireland’s Tourism Development Authority) who will travel with your group for your entire stay in Ireland. Tour Guides have extensive knowledge of Irish tourist attractions, history, culture, cuisine and evening entertainment. Tour Guides will also assist your group with hotel check-ins, dining arrangements and all other logistical matters. Our panel of Tour Guides are extremely entertaining and are guaranteed to provide your group with some fascinating facts and stories about Ireland. Tour Guides will provide your group with an expert insight into the very best of Ireland and will ensure that your group make the most of your time in the Emerald Isle.

## ■ Private Translator and Tour Guide

If English is not the primary language of your group, why not allow us to arrange the services of a private Translator. We can arrange Translators for all major languages. All of the Translators we use are highly experienced, fully certified, and are also qualified Tour Guides (accredited with *Failte Ireland* - Ireland’s Tourism Development Authority). Translators will travel with your group for your entire stay in Ireland. Translators will assist with activities, translate menus, provide translated commentary at tourist attractions, and will offer your group a unique insight into Ireland. Translators will ensure that language barriers do not prevent your group from having the Ultimate Golf and Ireland Experience.
