With over 400 golf courses on our small Island, Ireland is truly a golfer's paradise! Not only has Ireland a considerable number of courses which feature amongst the best and most famous courses in the world, no other country offers a uniquely special environment to play golf like Ireland.

Perhaps the biggest appeal of golf in Ireland is the abundance of world class links and parkland courses in such close proximity. No other destination in the world offers the golfer the opportunity to play the best of both links and parkland courses.

We exclusively work with the leading golf courses in Ireland to ensure that clients only play the very best courses.

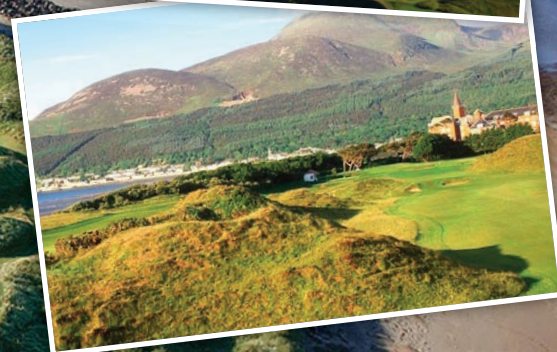

Over the past decade, Irish golf courses have hosted the four most prestigious team events in world golf, including the Ryder Cup in 2006. Ireland is also set to host The Open Championship in 2019.

We offer an incredible range of 27 exciting and unique tours, PLUS a "Customise your Tour" option. This option allows clients to outline their requirements to our experienced team who will then tailor their tour to best suit their preferences.

Whether clients dream of:

- Following in the footsteps of Rory McIlroy or Tiger Woods,
 - Playing the Irish courses designed by golfing legends,
 - Enjoying an Ultimate Links retreat,
 - Playing the home courses of all of Ireland's Major winners,
 - Becoming a Tour Pro for a week
- we will make their dreams a reality

Quite simply, a golf vacation in Ireland allows you to follow in the footsteps of golfing greats.
